In case of emergency, please notify the following person if parent/guardian cannot be reached:

Name _____ Relationship _____

Cell # _____ Home # _____

Guardian Signature

_____ Date _____

Program Cost: \$135.00 (**Check payable to The Farm**)

This is a recreational swim team for Farm members in collaboration with the YMCA. Children will be able to build up their current swim skills and compete in team swim meets. Swim strokes other than freestyle must be legal for swim meet competition. This is not a swim lesson environment, but a large group skill development venue for children. It's a place to meet friends and get a taste of doing one's best! Participants must be members of The Farm to sign-up for the team through The Farm. The minimum requirement to join the team is the ability to swim one length of the pool, using any stroke (recognizable or not). Swimmers will not be required to complete a swim test early in the season, however, coaches will be assessing skills at the early practice meetings.

If coaches or parents feel a child registered for this program is not yet ready for competition or do not meet the minimum requirement for the team, those children will participate in the Pre-Swim Team that will be held Mondays, Wednesdays, and Fridays at The Farm 4:30- 5:00 p.m. from May 20th - June 26th. If at any time the coaches feel that a child becomes ready for competition, they will be asked to move into the age group best suited for the child. Pre Swim Team members should be able to propel themselves forward in the water, but need significant stroke and stamina development.
